

Accreditation Procedure

1. Every person who serves the South Launceston Football Club (SLFC) in any way must advise the Club Manager of any qualifications held that are relevant to the duty they are undertaking.
2. Where the Board decides that a person needs a higher level of qualification or accreditation than currently held by that person the person and the SLFC must ensure that appropriate action is taken for training or up-skilling.
3. If any persons within the SLFC wish to pursue any qualification or accreditation through the SLFC relating to the tasks they undertake or wish to undertake at the SLFC, they must contact the Club Manager.
