

Facilities Management Procedure

1. The South Launceston Football Club (SLFC) will undertake regular assessments of all equipment and facilities belonging to or in the care/use of the SLFC as organised by the Club Manager or the Board.
2. Any persons who identify a part of any facility or equipment, in an SLFC related activity, that they determine as unsafe or damaged must fill out Form Number SLFC009A and return it to the Club Manager. The forms are available from the Club Manager on request.
3. The Club Manager must assess the risk of the item/facility and take appropriate action to manage the risk.
