

# Risk Management Procedure

1. The South Launceston Football Club (SFLC) will do all things reasonable to make the environment and activities safe for participation of all people involved with the Club through the adherence to other SLFC Policies.
2. It is the responsibility of every person undertaking an activity within or with the Club to participate only if they determine that it is safe to do so.
3. Any person who determines an activity with the SLFC to be unsafe may contact the Club Manager if they wish to express their concerns to the Club.
